**MERCANTIL COMMERCEBANK REPORTS NET PROFIT OF \$9.1 MILLION
FOR THE SECOND QUARTER OF 2016**

CORAL GABLES, FL (July 29, 2016) – Mercantil Commercebank, one of the largest banks headquartered in Florida, today announced a net profit of \$9.1 million and total assets of \$8.3 billion for the quarter ended June 30, 2016.

Real estate loans grew 10.6% from the previous quarter, and 35.1% over the last twelve months. This growth is the result of the Bank's renewed focus on economic development in key sectors where it does business, most notably the real estate sectors in South Florida; Houston, Texas; and New York. Net loans closed at \$5.4 billion. Deposits closed at \$6.5 billion, relatively unchanged from the previous quarter, and 1.6% higher than the same quarter last year.

The Bank's capital closed at \$780.0 million, and its capital ratios continued to significantly exceed the regulatory benchmarks to be considered "well capitalized." At March 31, the Bank's Tier 1 Leverage Ratio was 9.4% and the Total Risk Weighted Capital Ratio was 12.5%.

Net interest income for the quarter was \$50.7 million, an increase of 6.3% over the previous quarter and 16.3% with respect to the same quarter last year. Operating profit for the quarter was \$16.5 million, a 21.3% increase with respect to the previous quarter and 28.9% higher than the same quarter last year.

The Bank maintains a significant portion of its assets, \$2.4 billion or 28.6%, in highly liquid short-term placements and a securities portfolio primarily comprised of bonds issued or guaranteed by U.S. Government Agencies and Sponsored Enterprises and high-quality corporate bonds. This high level of liquidity positions the Bank to continue supporting its lending activities.

"Our performance in the second quarter of 2016 was very positive, with increases over the same period last year in key metrics such as net profits and net interest income," said Millar Wilson, Vice-Chairman and CEO of Mercantil Commercebank. "One of the more gratifying aspects of the quarter was the results of the Customer Satisfaction Survey, which noted high scores in fulfilling our customers' banking needs and expectations. We are proud of our staff for earning the trust and respect of customers. Our ability to understand and anticipate their needs is fueling our positive performance."
